

# Learn Writing

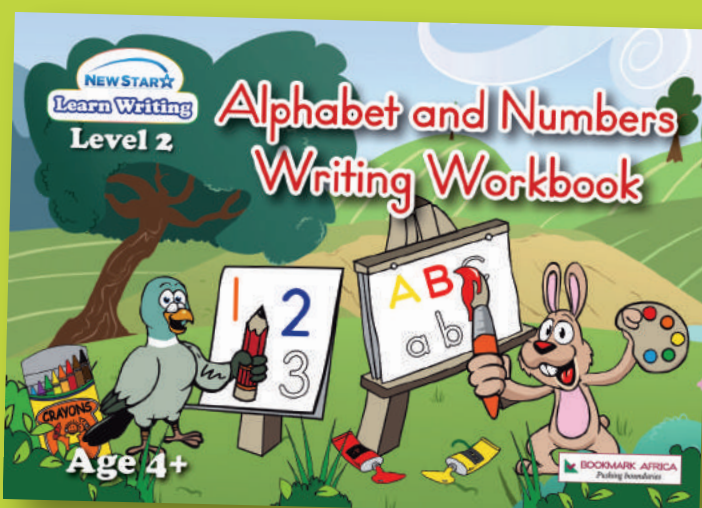

## for ECDE and Lower Primary

new, fresh  
& great fun

These books can be used at home or at school.

- Children learn how to write the small letters (abc's) and big letters (ABC's) and numbers 1 to 9.
- Lots of colouring fun to reinforce letter formation and recognition.
- Each child needs their own workbook. This will enhance self-esteem as they work along, learning how to write letters and numbers.

pushing boundaries
